

Elite Invitational

Fitness Warehouse – Elizabeth City, NC
February 12th 2011

This year's Invitational meet was small but had some pretty impressive lifting from both veteran and rookie lifters. 7 world records and several state records were broken as well. In the bench only division Amy Eaton proved you can have beauty and brawn as she presses up a new world record of 78.5 on her 2nd attempt narrowly missing 80 on her 3rd. New comer Cole Gray who is one big 13 year old went 3 for 3 ending with a new teenage world record of 97.5. In the deadlift only 2009 world champion Pat McMillan pulled his huge opener of 282.5/ 622lbs but could not manage a go at 300 kilos. 2010 world champion Dan Corridean nailed 282.5/622lbs on his opener and then hauled in 302.5/ 666lbs. The full power had a lot of PR's being broken as well as world records. 2nd in the 220's was Josh Ritter with balanced lifting across the board to end the day with a nice 1,003 total. 1st in the 220's went to Justin Rose who put up the meets biggest total with 590/1300lbs which included a huge world record deadlift of 600lbs. The 275's was won by Big Mike Doherty who is only 15 years old and big as a house. With no one to push him big Mike still managed a 585/1289 lbs total which included a world record deadlift of 245/540lbs. 308's saw Master World Champion Raymond Classing put on a show. Big Ray hit a huge 558.5/1231 total which included a world record bench of 402.3 , a 426.5 deadlift and went on to pull 440 on a 4th. 3 world records in all for big Ray so great job Ray and was good seeing you again. Thanks to all the spot loaders and judges, Jeremy, Travis, Ray, Paul, and Mark. Without you guys this meet would not have been possible so I appreciate all your hard work.

Full Power
