## *April Newsletter*

Hello Lifters and Friends,

The month of March was a very busy time for us as we had meets in Virginia, Arizona, North Carolina, New York and South Africa. Some of the results are yet to be posted but should be posted any day. We are having our largest turnout of lifters in 100% RAW history this year. The Arizona event had over 90 lifters and the Battle of the Border had 70 lifters the New York event was also over 50 lifters. The Ironman Nationals this year was hit hard with the flu as many lifters were not able to show due to sickness and 3 other events going on within a 2 hour radius which hurt numbers. April has started off with a bang as Lonnie had over 70 lifters in his Ohio event last weekend and the results will follow soon.

The next big event for us will be April 23<sup>rd</sup> in Naples, Florida area where we will be hosting the South East Regional's at Estero High school. It is not too late to enter this event even though the entry form says the deadline was last Saturday. Just call me and you can still enter the meet. You can pay using a credit card by calling and emailing your entry form in or just send it in the mail. But please call asap to let us know as we are getting ready to order awards for the event. I will be in Florida running this event and would love to see some of our past Florida lifters take the platform.

### **100% RAW - TEAM USA:**

I am looking for 10-12 lifters from the USA that want to be on TEAM USA that will be traveling over to the Ukraine this summer and compete in the Eurasia Championships on July 23<sup>rd</sup> -24<sup>th</sup>. Anyone can apply to be part of our team. I will take the top 12 lifters of who apply to be part of this special competition team to represent the United States in this historic competition for 100% RAW Powerlifting Federation. I will personally pay for your entry fee for the members that are picked to assemble this team. You will be responsible for your air fare, hotel accommodations and food. I will supply each lifter with a custom TEAM USA jacket with your name, weight class, Team USA on the back and the 100% RAW USA logo on it. You can come as a single event lifter or full powerlifter. If I have enough lifters that want to go I will consider taking a single lift team and a full power team. For the single lift event, I will offer it to all 1<sup>st</sup> place winners in the American Challenge and for the full Powerlifters the current World champions will have first offers. If you're interested you need to apply because I am sure with the economy many lifters will not be able to afford this trip. This will be an experience of a lifetime for anyone who is part of this team. I traveled to Italy in 2007 with Jeremy Wright, Brad Lovejoy and Steve Smith and to Belgium with Pat McMillan in 2008. Last year Raymond Clasing & Brad Lovejoy traveled to Russia to compete and everyone will tell you the same thing, it was the experience of their life and was priceless. I know it was the pinnacle of my 23 year Powerlifting career. To apply or for more information please e-mail me at [rawlifting@aol.com](mailto:rawlifting@aol.com).

## **New Chairman:**

New Chairmen are making a name for themselves in 2011. We started off the year with "Sweet" Lou Algarin who ran his first meet in Minnesota on January 20<sup>th</sup>. 1 week later we had Bill Blackstone run his first 100% RAW meet in Gurnee, Illinois @ Monster Garage Gym. Then on February 26 in Toronto, Ontario – Canada Barry McEvoy ran an outstanding event in with 47 lifters in his first meet with 100% RAW Powerlifting Federation. Steven Blake from South Africa ran his first for the federation on March 26<sup>th</sup> in Cape Town, South Africa. People like these guys are why 100% RAW Powerlifting Federation is the fastest growing RAW Powerlifting Federation in the World.

We are currently seeking new chairmen in many states across the USA. If you are interested or know somebody that might be please have them contact us ASAP so we can get the ball rolling. If you have a state that does not run enough meets and want more meets and are interested in running them please contact us. You can be a meet director and not have to be a State Chairman. Here is a link for you to check out if you're interested please print off and read. If you just want to help out in any form we are interested in hearing from you.
