New Chairman:

New Chairmen are making a name for themselves in 2011. Our most recent addition to the family are new appointed state chairmen Sam Graham in California and Nick Montgomery in New Jersey. We have a few new chairmen we are currently in the works in several other states.

Curd Hos is a new meet director in Eastern Canada and has ran his 1st meet in Ottawa in June. He is already planning his 2nd event for November.

In India Vishal Khanna is our new Country Chairman. He will be competing in the Eurasia Championships this month and is working on putting together his first event in India for 2011.

We started off the year with "Sweet" Lou Algarin who ran his first 2 meets in Minnesota on January 20th and May 10th. One week later we had Bill Blackstone run his first 100% RAW meet in Gurnee, Illinois @ Monster Garage Gym. Then on February 26 in Toronto, Ontario – Canada Barry McEvoy ran an outstanding event in with 47 lifters in his first meet with 100% RAW Powerlifting Federation. Steven Blake from South Africa ran his first for the federation on March 26th in Cape Town, South Africa. People like these guys are why 100% RAW Powerlifting Federation is the fastest growing RAW Powerlifting Federation in the World. Now we can add to this list Co-Chairman for the state of Texas. Please welcome aboard Seneca Sarnella and Shannon Cooper. They are both very qualified young Powerlifters and meet directors out of Austin Texas. They already have their 1st date set and will be posted shortly. We look forward in seeing great things coming out of the great state of Texas in the near future.

We are currently seeking new chairmen in many states across the USA. If you are interested or know somebody that might be please have them contact us ASAP so we can get the ball rolling. If you have a state that does not run enough meets and want more meets and are interested in running them please contact us. You can be a meet director and not have to be a State Chairman. Here is a link for you to check out if you're interested please print off and read. If you just want to help out in any form we are interested in hearing from you.
