At the end of the year we have to convert them over to a separate page under the past results page. This is being worked on now and should be set sometime this week.

The Florida and Maryland records will be updated by this weekend. I know they have not been done in a while but when you don't have a state chairman in those states things do not get done as quickly as we would like. If we have anyone in those states willing to help out in any way, shape or form please let me know so we can talk about how you can help the federation.

## **The Rings**

All 2010 World Championship rings have been mailed out. If for some reason you have not received your ring yet please let me know and I will try to find out the status for you on this.

I know that many lifters wanted to order a ring at the time but with the economy you were reluctant to order. Well if you status has changed and you think you might want a ring for your 2010 World Championship email me and I will see if we can try to get a few more ordered. I cannot promise anything right now but I will make a try to see what I can do for you.

We are currently working on the design for the 2011 World Championship rings. I will post it online as soon as it is finalized which should be sometime in the next month.

## **Rankings:**

The entire Overall and Master rankings are current and posted. We have found there to be a few errors which we are fixing. Please review and let me know if you see an error so I can fix it before the final post is done. I would like to thank Peter Hubbard and Brian Stoner for their efforts this past year in doing them for us. If you are interested in ordering a ranking plaque please go to our awards section on our website and print off an order form there. They are \$20 each.

## **Awards for records and other accomplishments:**

Any lifter can purchase a Record, Ranking or Personal accomplishment plaque from our website by printing off an order form and faxing or e-mail back. E-mail to [ectrophy@aol.com](mailto:ectrophy@aol.com) or fax it to: 252--338-7669. Please fill out very neatly (prefer typing). Elizabeth City Trophy & Awards accepts Master Card, Visa and Discover. You can send in your form and give a telephone number for them to call you for payment type or you can e-mail or fax the information if you prefer. The newly created World Championship Plaque is available for any lifter who competed in either World event in 2010. Below is a picture of this plaque.

**Newly Created World Championship Plaque March only “Special \$50”**

## **New Chairman:**

New Chairmen are making a name for themselves in 2011. We started off the year with “Sweet” Lou Algarin who ran his first meet in Minnesota on January 20<sup>th</sup>. 1 week later we had Bill Blackstone run his first 100% RAW meet in Gurnee, Illinois @ Monster Garage Gym. Then on February 26 in Toronto, Ontario – Canada Barry McEvoy ran an outstanding event in with 47 lifters in his first meet with 100% RAW Powerlifting Federation. Steven Blake from South Africa will be running his first for the federation on March 26<sup>th</sup> in Johannesburg, South Africa. People like these guys are why 100% RAW Powerlifting Federation is the fastest growing RAW Powerlifting Federation in the World.

We are currently seeking new chairmen in many states across the USA. If you are interested or know somebody that might be please have them contact us ASAP so we can get the ball rolling. If you have a state that does not run enough meets and want more meets and are interested in running them please contact us. You can be a meet director and not have to be a State Chairman. Here is a link for you to check out if you’re interested please print off and read. If you just want to help out in any form we are interested in hearing from you.
