Testimonial for the Tribustol product.

From: Wesley Kipp - New York State Bench Press State Record Holder  
Master Division.

Dear Ramsey/NES Company.

"I was looking for a supplement to help reach my goals, when I found Tribustol I thought I would give it a try. I followed Ramsey's guidelines in how to best use the product and took it for 8 weeks. My original was to Bench Press 315lb. Amazingly after 8 weeks I am still seeing improvements despite being off Tribustol. I am now hitting 335lb!! At weighing only 165lb and having just turned 49 years of age I must say I have been very pleased with the results of using Tribustol. Based on my training workouts-Ramsey predicted I would hit 335lb by the end of the Tribustol cycle I guess he was right!
