A NOTE FROM 100% RAW POWERLIFTING FEDERATION PRESIDENT PAUL BOSSI

Dear Lifters,
There has been a lot going on in 100% RAW since our last newsletter. First of all I would like to welcome the ADAU members on board. We are now collaborating partners with the ADAU and share the same rules, and records. It was decided during the 2011 annual meeting that we combine forces and work together to become the largest Drug Free RAW Powerlifting organization in the World. Since this partnership there has been nothing but great things happening as we continue to grow as one. Strength comes in numbers and the support and experience the ADAU committee members bring to the table has already proven to be a smart business decision.
