A Word From The President 100% RAW POWERLIFTING FEDERATION President: Paul Bossi

Dear Lifters,

The World Championships are approaching rapidly. Only 27 days left before the deadline.

There were 3 awesome meets in August that took place in (NC, VA, NY). Go to our website to view the results and see who lifted and how much. You will be very impressed.

September will be a good month for new 100% RAW lifters as there will be some meets in areas we have never ran meets before in.

9/15 in Westminster, MD,

9/22 IN Peabody, MA

10/6 Parkersburg, WV.

If you live near one of these locations this is your chance to lift in a 100% RAW event. We have new chairmen in all 3 of these states running these events. We will have experienced RAW officials there helping with officiating as well.

Testimonial for the Tribustol product.

From: Wesley Kipp - New York State Bench Press State Record Holder
Master Division.

Dear Ramsey/NES Company.

"I was looking for a supplement to help reach my goals, when I found Tribustol I thought I would give it a try. I followed Ramsey's guidelines in how to best use the product and took it for 8 weeks. My original was to Bench Press 315lb. Amazingly after 8 weeks I am still seeing improvements despite being off Tribustol. I am now hitting 335lb!! At weighing only 165lb and having just turned 49 years of age I must say I have been very pleased with the results of using Tribustol. Based on my training workouts-Ramsey predicted I would hit 335lb by the end of the Tribustol cycle I guess he was right!

Train Hard and stay injury free!
